### The Premises:

Discrete residential location. Easy to find. Close to Bletchley Train Station. Good directions to free parking and easy walk up to flat. Clean, atmospheric apartment. Good shower facilities. Felt safe and relaxed.

### The Lady:

Chloe is a beautiful, sexy lady with delicious curves. She was dressed as a sexy secretary with high heels, stockings, tight skirt and sheer blouse. This set the tone very nicely!

### The Story:

'The time has come', the Punter said, 'to talk of many things,  
Of high heeled shoes and stocking straps, of oral skills which zing.  
Of why this girl is sizzling hot and how I gained my wings'.

'But wait a bit', I hear you cry, 'before we learn of that,  
Do tell us what she looks like and how good was the chat,  
for some of us need info, ere we go straight forth to bat'.

Indeed this gorgeous maiden is most wondrous with her care,  
she clothed herself with style and added henna to her hair.  
The treat that will, upon your meet, be manifestly fair.

Her reputation needs no words, she carries all with fun,  
She's 'what you see is what you get' when all is said and done.  
You'll laugh and snog and joke and more, your heart being truly won.

'But what about the juicy bits, the saucy sexual stuff?  
We want to know about her tits and ass and shaven muff!'  
Well dear Sirs, it's not my style to be so crude and rough.

However, this I will reveal, that when it comes to such,  
she'll set your skin and mind aflame, your wish is not too much.

Her sensual curves, erotic zones, will yield beneath your touch.

I guess by now you'll gather she's the jewel in Bletchley's Crown,  
A darling of the MK scene and fabled in the town.  
Such fun and care and simple zest deserves such great renown.

And thus began my first foray into this secret venture,  
I'm honoured that this darling girl should be my prime adventure.  
I'm fully planning more with her, but that I will now censure.

With apologies to both Chloe and Lewis Carroll!
