The Premises:

Brand spanking new parlour. Fitted out to very high specification, lovely rooms and great atmosphere. Receptionist is a little gem, so helpful on the phone and very friendly.

The Lady:

A little pocket rocket and looked so sexy in that leopard print number. Very friendly and chatty, nice smile and oh so wicked eyes, they just seem to say I'm so f***ing naughty

The Story:

Took advantage of the Sauna, ver clean - everything is brand new and beautifully clean. Nice safe lockers and Wet area that has Sauna, walk in shower and steam cabinet. I just love a sauna and had a nice relaxing 20 minutes followed by a shower. Felt so refreshed and relaxed.

Opted for the Black room, very atmospheric and again everything lovely and clean. Mercedes stripped off revealing her gorgeous breasts and a really tidy figure then proceeded to give me the blowjob of my life. F***king hell she is soooooo bloody good, really nice and slow, lots of kissing and licking, putting a real shine on the little man. She definitely enjoys taking her time and looking up into your face with those really dirty eyes. I just felt like I had to return the favour and paid the extra for RO and enjoyed a really sweet tasting and very wet pussy, she really enjoyed and seemed to appreciate my oral attention. Then on with a chocolate flavoured condom, nice technique applying it with her mouth and onto some really serious fucking. Guys this lady is HOT, the parlour is really nice and friendly. I'm certainly going back for more.
