The Premises:

This basement flat is about a 5 minute walk from Victoria tube station. It is discreet and clean inside.

The Lady:

A description of an Indian girl in reality became a 1/2 Indian 1/2 Portuguese girl with an East European accent ha ha. I almost walked out, but upon noting her rather ample chest and not wanting another aborted punt I decided to stay.

The Story:

The girl I saw was about a dress size 12 with 34C breasts. Her breasts were lovely and firm. The session consisted of covered oral and sex with her on top. I ended the session by coming over her breasts.

I do wish this Indian lie would stop, I've been on the receiving end at least 8 or 9 times.
