The Premises:

If you need a description of Annabella's premises

The Lady:

Suzi is an attractive blonde from the Czech Republic. She has a lovely slim figure, tanned and toned. Everything is natural - lovely breasts and nipples which get erect very quickly. Suzi is the sort of girl you would be happy to be seen with – not at all the Barbie Doll which her pics suggest

The Story:

Suzi is 'one of the greats' at Annabella's. I have visited her several times and enjoyed every minute. The only negative point is that she is not there every week - but if you check the Schedule you can see when she is next back. (If she was here every week my Bank account would not stand it!)

Suzi is very experienced and knows how to arouse a man with a gentle massage. Her oral technique is great and it is tempting to let her continue (but not CIM). She also likes to receive oral.

Sex with Suzi usually starts with Cow-girl – and sometimes finishes it that way as well! Suzi is not a clock watcher - no need because she can make me come well within the time I have booked for.
