The Premises:

A basement flat a few mins walk from Warwick Ave tube. Clean, salubrious area. Bedrooms are nicely decorated, but only one bathroom and no other waiting area makes timings difficult to keep to.

The Lady:

Missy is an attractive 19yo, she was wearing dark nail varnish, a colourful body art tattoo on her hip, a mane of black dyed hair and black fishnets...I thought it was leaning subtly towards an alt/goth look.

She was very welcoming and easy to talk to, has a passion for travel...a nice friendly open girl.

Smooth, firm, nubile body with pert, round natural boobs as per the pics. A very pleasing package.

The Story:

After a little get-to-know-you chat, kiss, mutual undress and explore, Missy started with a teasing body-to body massage which had her firm tits brushing against my now erect cock. She teased with her tongue and finally enveloped me in her warm mouth, a nicely varied OWO, at times impaling her throat on it for maximum friction.

Missy then mounted me cowgirl and gave me a very energetic ride. I stood up with her legs wrapped around me and fucked her standing up, she was hanging onto my neck and thrusting too, getting very worked up. She wanted me doggy, so she kneeled on the bed and lay her face sideways on the mattress as we bucked frantically with her pushing back too as she moaned and gasped and willed me on. Then mish with one leg in the air which gave me a very sexy view of her inviting split.

To finish, Missy gave me another stimulating oral session culminating in me spurting my load into her warm, willing mouth after she told me she wanted to taste my juice. She carried on sucking until I could take no more, some dribbled out but I didn't notice her spit.

An amazingly accomplished service from one so young, all delivered with energy and horny enthusiasm...highly recommended!!
