### The Premises:

HOD2 in Maida Vale.

Very safe area and easy to find due to the detailed instructions I got texted to my phone. Shared basement flat with another girl.

### The Lady:

Very cute girl-next-door face. Sweet young and curves in all the right places. Missy also does pole dancing, which would explain her fitness. Her breasts are amazing, and very real. Besides having an excellent physique, her personality really shines through. My first visit and was a little nervous, Missy immediately made me feel relaxed and comfortable.

### The Story:

She's very dedicated to her work and service, and at the time of my visit, she was a bit late. Turns out she was waiting for the painkillers to kick in, as she had injured a muscle from pole dancing! That still didn't stop her from riding me like there was no tomorrow. She's an amazing girl that really enjoys her work and I really enjoyed plowing her hard while she made these delightful noises. She's not a clock watcher and despite her phone getting messages, her attention was all on me. An amazing experience that I won't forget. Now I really wish I could have seen her dancing before she's leaving for Australia.
