The Premises:

Town centre location, clean & safe. Three storey building, reception on the ground floor, first floor has the lounge area, double bedroom and shower room, second floor has a large double bedroom (where I was) and another smaller room.

The Lady:

Four ladies, one mature lady, three ladies who appeared to be in their 20's.

I chose Maria. Genuine Spanish lady, in her early 20's, black hair, curvy figure. Speaks good English. Friendly and a fun girl.

The Story:

Maria came up with my drink which the lovely receptionist offered. She sat on my lap and I asked what her do's and don'ts are.

I didn't want a massage, so started the session with a kiss and cuddle, moved on to giving her oral, she then wrapped her body around me, more kisses and cuddles, more oral on her, on with the condom for some oral, she then climbed on top for cowgirl, changed positions to missionary and then finished in doggy style.

Maria is a lovely, fun girl, she aims to please, no clock watching and I enjoyed my time with her.

I plan on visiting Paris next, I saw her in the line up at my previous visit, she was looking gorgeous.
