The Premises:

The house was very clean and tidy and in a quiet residential area.

The Lady:

Attractive and friendly lady who is a qualified masseuse. Around 30 years old and very nice figure.

The Story:

Jade only provides massage - I say only massage but it was very good and enjoyable to lay back and relax for an hour in the company of a lovely young lady while her hands worked all over my body. She told me she is fully trained in several massage techniques and I can believe it. She gives a very professional massage but if you ask nicely she does end it with hand job which I found pretty sensational after the relaxation of the massage. Jade remains fully clothed during the massage but what she offers is very sensual. Please don't insult her by asking for anything beyond the massage as noted above.
