The Premises:

I met Amy just before Christmas but life has got in the way of me writing my review. I have to say meeting Amy was so memorable that the sweet memories have stayed with me so writing this easy peasy. We met in very nice hotel just south of the river - fantastic view of the London Eye and London skyline is your interested!

Amy was great on all the pre-liminary comms issues and gave very clear instructions etc. Felt very safe and as if I was in the hands of a true professional which of course I was!

The Lady:

Amy is lovely - really friendly and warm and easy going. She clearly loves her work and that comes across and she makes you feel as if you are the centre of her attention. She was the lady in red for me with black lingerie (got a thing for that but hasn't everybody!). Amy has lovely delicate skin, porcelain like - I am a bit of a blue beard, but I love FK - I treaded carefully but my can Amy kiss. And she has lovely kissable lips.

The Story:

Kicked off with a nice chat - I know not very sexy for those who like to get down to business but with Amy you just know everything will go smoothly. Amy very kindly allowed me to spank her rather delicious and pert bottom - not very hard or excessive just seems to set the mood for me (I know we all have our fetishes and that is one of mine for sure). Sex in a variety of positions - I had asked for anal - a service Amy very kindly offers and I have to confess and liking more and more - the intensity of the orgasm is like nothing else. Amy obliged perfectly and I had one of those intense orgasms which makes this hobby so worthwhile.

I am a one pop kind of guy and was spent and spent the remaining of the time chatting about so many interesting things. Amy is well read, well travelled, knowledgeable and great fun. Her imitation of Malcolm Tucker from In the Thick of It had me near to an orgasm state again I laughed so much. To be honest it was an honour to meet Amy and I set off back to the north of England a happy and content man with that proverbial smile on my face which took a while to leave!!
