The Premises:

Nice studio in a modern building, 3 mins walk from the station. Felt safe and very clean.

The Lady:

Petite East European girl, maybe a bit chubbier than she appears in the pictures, anyway attractive, pretty with a sweet face. Very young looking.

The Story:

I went to see Candy and decided to review her, as I have seen a couple of reviews that are not so nice about her and thought I'd say my opinion.

Candy dressed up as a school girl, upon request. She looked very young and I got an erection straight away. Formalities sorted, she offered a drink and asked if I wanted to shower. She seemed a bit shy to begin with but after a short chat (her English is actually ok) she relaxed and we started kissing. The DFK was really pleasant and soon Candy was naked in front of me. Her young body was really sexy and she even had a cheeky smile on her face when she took me into her mouth. I almost finished there and then so I stopped her and returned the favour. Her pussy was really juicy and tasty and her moaning showed me that she wasn't disliking it.

By this point I really needed to pump her hard so on we go with a bit of missionary and then doggy style.

For the second round she came on top, lovely view I must say. My hour was almost up by the time I decided to come on her beautiful but cheeks. Another lovely view, obviously.

My conclusion? Yes, Candy is an 18 years old girl that is escorting. I needed to warm her up a bit but when she relaxed she was a thrill. Is she porn star material ? No. She hasn't got the experience. Is she like her pictures? she would be if she would loose just a tiny bit of weight. Anyway, she is a beautiful girl and I had a great time with her.
