The Premises:

Very nice tidy flat near the town centre, with parking right outside. the face of the block isn't too pretty but actually its OK with buzzer entry and Anna waving at me, phone in hand, from the walkway.

The Lady:

Buxom mature blonde, wearing a red dress that really needed sunglasses - me not the dress. Exactly as her pics, give or take the odd pound, lol

The Story:

I have wanted to visit Anna for some time and I was happy to find her available when I called on the day. I nearly forgot to do a report, there are not enough reports on independent ladies on here these days.

Anna advertises that she likes most things and over the two hours most things was what we did. She is a friendly lady who likes to kiss, so I would describe what I got as a horny girlfriend experience with lots of french kissing, oral both ways and as much sex as I could manage, including a very nice long session of spooning during anal with Anna twisting her head around so we could kiss while we did it. No rush, I left rather than being asked to go, and with a distinct stirring still going on down below as we finally separated after the last kiss. A very sexy lady.
