### The Premises:

HOD 2 few mins from warwick avenue station, basement flat, fit for purpose, no complaints

### The Lady:

Ever so slightly darker skin than her pictures and her bum is more small and firm than epic brazilian bunda proportions, but basically what you see in pics is what you get

### The Story:

I cannot fault cindy, her oral was good, she especially makes good use of her tongue in and around the meat and 2 veg and the sex was also pretty good. In between rounds she gave me a massage and we had a little chat. Cindy was good and demonstrated her honesty at the end when she returned me a tenner from the 170 i paid because sh says she only charges 30 for a-levels, but more on this later

However, on this occasion the establishment didnt cover themselves in glory:

(1) despite the fact i informed the establishment i required a-levels both at the time of the initial booking and on friday morning when i phoned to confirm, cindy told me she was unaware, this made the a-level experience (one i normally enjoy, see my other frs) a more difficult one because she was unprepared and needed time to relax into it

(2) this is more a side issue but cindys profile says uniforms, so i figured i'd just ask for her to be dressed up just for the fun of it, the response i got from the establishment was "i dont have cindys contact number so cant ask her that"

what? how then does she dress up for anyone considering she has uniforms in her profile? and how do you not have a contact number for a girl you employ?

in all i have visited the hod empire more than the few frs i have done and i have never had cause to complain, until now

if i could give cindy a positive and hod a negative i would, but there is no option here to do that
