The Story:

I'd seen april on a previous visit to gfe and thought I'd give her a try. She wasn't dressed when she guided me upstairs - wrapped in a towel only. I wouldn't normally complain but I got the impression she just couldn't be bothered to put on some sexy underwear. After a very brief back rub, she gave me owo which was awful and cringeworthy. Lots of spitting and gagging - very unattractive. She wouldn't stop talking about herself, showing very little interest me. Sex was rushed, clinical and awful. When finished she grabbed her towel and rushed out leaving me to get dressed and find my own way out.

Such a shame as she's very attractive but up her own backside. If I was a betting man, I'd bet she was on something. Not a nice experience, the exact opposite of gfe and I will not be seeing her again!
