### The Premises:

Entrance, stairs and landings are as much in need of a cleaner and decorator as ever, but the all-important basement is rather smarter and tidier than on previous visits. The girl who let me in might at least have shown me in, rather than opening the door and disappearing. And I would have appreciated not being told twice on the phone that Rachael would be "about ten minutes", which was totally untrue.

### The Lady:

I think the girl I met must be the one in the picture, but she is considerably sturdier than she looks on the website. On the positive side, Rachael has a very pleasant face, the most beautiful skin and hair, and a wonderful bosom, and the shaven area below is as smooth as a baby's bottom. She is obviously a bright girl, and good company.

### The Story:

Maybe I'm getting too demanding in old age, but I was a little disappointed by this meeting. The shower experience was nice, but the whole thing seemed like a routine to be gone through. First a "massage", but it wasn't a massage, and it could have been far more erotic. I cut that short and attempted some cuddling and kissing, but without much reward. Down for reverse oral, accompanied by sounds of mounting excitement, which I don't believe for a moment were genuine (and if I'm wrong, then sincere apologies). No fingering allowed, by the way, and legs never allowed to be prised too far apart. Good covered oral, but fairly short-lived. Then Rachael on top, quickly followed by reverse cowgirl, then missionary. Over and out.
