The Premises:

Well known venue. Although I was sent down to what appeared to be the overflow(!) flat, or at least Annabellas 2. Either way it was clean, tidy and nicely decorated.

The Lady:

Victoria is around 23 I would say. Very pretty with shoulder/back length dark brown hair. Very slim, with large C/D cup breasts with gorgeous nipples.

The Story:

I haven't been to Milton Keynes - former HOD land - for ages. I was told there was no need to book, only to turn up at 1, and be told everyone had been booked. So genuinely I do not know the policy on advance or turning up. Either way, as mentioned I was sent down to Annabellas 2.

There I was given a very tough choice between Carla and Victoria. I think Carla would have been more fun, and she was just as pretty. But

Victoria reminded me of someone I knew once, so I indulged that fantasy.

She started off by giving me a fairly lacklustre massage, but its a good way of relaxing at the start. I turned over and in my head went 'wow'.... Victoria has a stunning body.

She gave me some good oral, before going on top of me to begin with.

We then swapped to me from behind, which was worth the ride and a great climax.

I notice on the website it was Victoria's first day at Annabellas, which may explain why she was quiet and rather distant. So, that part of the punt was not good. But she was pleasant enough, and the trade off was of course that she was stunning.

So I will put recommend, but not for you if engagement is essential.
