The Premises:

Area hasn't got the best reputation but this is new part brand new flat and felt safe inside was clean and tidy obviously only used for escorting.

The Lady:

Slim very attractive, about 5'4", enhanced DD boobs, great personality and conversation and the most gorgeous piercing eyes to die for.

The Story:

Second visit to this lady and definitely not the last. Do like to be dominated and gave her some pointers of what type of thing I like she started of with oral on me during which she maintains perfect eye contact with the most unbelievable eyes the some anal play and rimming which I love onto face sitting then more oral my body wasn't sure whether it had gone to heaven or not came 3 times in all .Time seemed to fly by but never felt rushed . Can't wait to go back again I think I might turn into a one woman guy . She definitely seems to know just what you want next and seems to enjoy everything she does. God she can talk too during recovery times she enjoys a chat but when she thinks you are ready shes straight back to work .

In all got to say probably one of the best girls out there you would be mad not to visit if ever in the Coventry area.

Last words if ever you read this Missy a big THANK YOU.
