The Premises:

A modern 1st floor apartment in an excellent development, far and away one of the best in Luton. It's reasonably close to the station but is also very easy to find and park. Bedroom is comfortable with a good size bed which doesn't squeak.

The Lady:

Mimi is a 51 y/o Chinese lady, 5' 4", 34DD with dark eyes and attractive reddish-brown hair. She has the figure of a lady 20 years younger and her skin is the softest you can imagine. More than anything her smile is utterly captivating and she's a way with her that puts one at total ease immediately. She's been in Luton almost two years. Before that she was in Hitchin and the other two (so far) FRs on this site date from that time. Language was not a problem though a couple of times I needed to 'slow down' a bit. My fault I think, not hers.

The Story:

I can't understand why I had not seen this lady before. She is a complete gem. Booking experience, her directions and the welcome I received were all superb. From the moment I set foot in her place she had her arms around me, kisses showered on me like a tropical rain storm. A glass of white wine was offered and we went immediately to the bedroom where the kisses and cuddling continued for some time before we decided to get naked. As so often the case, Uncle's Sloggi for Men Tangas drew appreciative noises but were (the pants) quickly discarded and we collapsed onto the bed for a prolonged session of kissing, cuddling and chatting about ourselves, experiences and so forth. Mimi was well receptive to Uncle's tongue on her clit and pussy generally and together with my gentle tweaking of her lovely nipples she was very wet in no time at all.

There followed a session of cowgirl, doggy, lying down doggy and, after a further period of chat, kissing and cuddling, a nice bout of missionary which made her breath heavily and red in the face. She did, I believe, cum. Sadly, I didn't cum but this was due I think to my very early start that morning – I was a bit tired – and perhaps that I was seeing her for the first time. (I think a lot of guys find similar inhibition)

Throughout the session Mimi worked delightfully to give me a good time. I can thoroughly recommend her as a really lovely lady – one to treasure.
