The Premises:

Very clean and tidy bedroom with en-suite bathroom.

The Lady:

Pretty blonde as described by many others before me.

The Story:

The maid showed me in to the room and Pixie joined me about 2 minutes later. She immediately started kissing me and took all my clothes off. We got onto the bed for more kissing, after which she gave me a great blow job, starting slowly with her tongue before wrapping her lips around my cock, maintaining eye contact throughout. She allowed me to suck her nipples and fondle her boobs before we had some great sex in three positions. She finished me off with a hand job.

Pixie was very friendly throughout the half hour and included plenty of dirty talk. She was a pleasure to spend time with.
