The Premises:

A nice,easy to find apartment in Bletchley thats within a very short walk of the train station.It's on a very quiet new build estate so nice and seemed safe

The Lady:

Lovely voiced,attractive,auburn haired curvy lady.If i had to sum her up i'd say great figure and incredibly friendly

The Story:

Firstly,Chloe has a great,friendly phone manner with a lovely voice so things were going well from the start.

As soon as i entered the apartment i was offered a drink,which for us public transporters is always much appreciated.What can i say?For a start,Chloe definately lives up to her name Kisses,she does,a lot.Now i'm not one who turns up with a services check list,can we do X X X in this order etc,I also tend to be a tad indecisive.Luckily for me this lady is happy to take the lead and throw in some suggestions,and highly enjoyable suggestions they were to.She's also very patient,perfect if you're a bit towards the scatty and maybe a hamper short of a picnic like me.

To list services would be useless as she seems to tailor the time to you.In my case an amazing gfe,As for the ending.Finishing with a shared shower was just perfect.I don't think things get any better than a gorgeous soapy body rubbing against you.In all,a highly enjoyable,relaxing time from yet another consummate proffessional.

Summary.If you want a sexy sensual full on experience with a sexy friendly lady then Chloe's the one for you as she really does go out of her way to make sure everythings perfect
