The Premises:

Not a great hotel and not a great room but who cares when you are about to get laid.

The Lady:

Older than stated on website (lady confirmed this herself) Also a bit chubbier than in pics on site and not as attractive in person. However does have great boobs and smile.

The Story:

She loves sex and will make you feel comfortable. Best part of the evening was a fantastic BJ which ended in an explosive facial which she absolutely loved.
