The Story:

As soon as i entered, I knew that this is going to be a very nice experience. I was offered a bottle of lager which I gladly accepted.

Debbie led me into the room had a chat and then down to some action.

she loves to undress you, so I let her....kissing my nipples.

Debbie did a little dance and took off her gear one by one. she bent down right in front of my face so I could not resist but to spread her bum cheeks wide and lick her pussy and the ars too. she seems to enjoy that. I mentioned that I love my ars hole to be fondled. To my surprise she strapped herself with a rubber dick, asked me to bend over, and played with my ars-hole...this was just too good.

Back to me licking her very wet pussy, which she let me do forever, until she came with a loud cry. finished with doggy with full view of her ars hole. she kisses passionately too.

The best experience I ever had.
