The Story:

I have been coming to Pam's parties for many years. She always has such a great collection of really nice girls, friendly and real people. She also offers great value for money. After dealing with the "formalities, changing and showering, I started off with Amy a statuesque blonde, she worked on my cock for a while with her mouth then hopped up on top and coaxed a first little bit of cum from me. It was then onto the incredible Tina, what a really fabulous person and has, with a great body! She is so energetic and soon worked my cock up to a rampant erection again, with amazing oral technique. When I entered her lovely pussy it was wet and I could feel her muscles milking me. Her lovemaking is just fabulous, I could stay forever in her bed!! We went into various positions but when I was on top of her in missionary, I came. It was then off for a drink and some relaxation.

Diane, I know for several previous encounters can always get some more from me so I have saved her till this moment. She is a very soft and gentle person and worked on my cock with her mouth and hand at just the right pace for an old guy like me. She liked the shaft and the head and the balls and took me deep into her mouth. She timed it just right and I shot a big load, the third one of the afternoon!! Time for a bit of a freshen up and another drink.

I was going to call it a day but then I saw that Nicole was free. She is a lovely Polish girl with a very sexy voluptuous curvy body and great personality. We chatted a bit and I played with her tits. I did not think that I had any more man juice; but then what the hell why not give it a try as my cock was soon hard after her attention. Anyway she told me that there is nothing better than a hard cock inside her. I entered her wonderful pussy and worked away for a while, but for me there was nothing left to cum. Still Nicole was enjoying it and came close to orgasm, which was nice.

It was nic to be able to chat to all the girls about life the Universe and of course sex!!
All in all one of the best party visits I have ever had anywhere. Thank you Pam he best party
organiser in the business.
