The Premises:

I was surprised at the recent report which implied that Debbie's entrance hall needed redecorating. It has been recently redecorated! I always use the rear entrance (no rude reference intended) and feel completely safe.

The Lady:

A truly beautiful, sexy, willing and enthusiastic lady. Firm bouncy tits. Ditto bum. A tongue that reaches parts that other tongues do not! She seemed a little taller than the 5'6" quoted in the website.

The Story:

On arrival Debbie let me in and we had the usual snog and grope. Debbie is still suffering from her asthma but otherwise was her usual chatty and sex-mad self. She made me a cup of tea and then led me to the bedroom for a snog and grope before introducing Melissa. Melissa greeted me with a deep (and I mean tonsil-teasing) french kiss. The shower, in which she used her tits as a flannel to wash me, followed. Back to the bedroom and more snogging, groping and giggling as we endeavoured to dry each other. Then onto the bed for Melissa's excellent oral. I responded with reverse oral which was well received and resulted in Melissa having a mighty orgasm. After she had recovered she resumed her oral on me until I came. A truly magnificent punt.
