The Story:

I met the lovely Jessy earlier this week Jessy is alluring, captivating, intelligent, charming, sensual, gorgeous and a courtesan in every way. Seeing her is like going out with a date with a woman then bringing her back to your place for a night of erotic romance. Her touch and caresses is soft and tender. Her oral skills teasing and tingling, slow and loving. She was very generous with time, I stayed with her for over 2 hours and a bit more and still wanted to go on and on and on. We got on really well together and when we eventually got round to the main event it was mutually satisfying, teasingly slow with lots and lots of kissing, building up to a steady rhythm, slow again, then to a crescendo. Jessy is someone I could've fallen in love with, someone I'd meet at a bar and bring her back up to my hotel room for the night. Someone I could cuddle and whisper sweet nothings to all night. She's an incredible kisser, I could kiss her forever. What an amazing lady
