The Premises:

Been here a few times now and always clean and tidy. Rooms are well equipped and warm.

The Lady:

Sienna is a tall slim brunette with a lovely smile and a cheeky personality. Some of the longest legs I have seen in a long time.

The Story:

In the room Sienna was very chatty and soon had her hands all over my body , giving me a good massage. As time went on she began to tease certain areas every now and then especially when she gave me the body to body experience. After I turned over she carried on with a gentle tease and please until I reached the point of no return and climaxed . Overall a very happy client and definitely a girl I would see again.
