The Story:

Once she was in the room I was very pleased on seeing her in the flesh again and she seemed to remeber me so that put a smile on my face again. Handed over the cash and got going and after afew minutes was in happines as she worked away on my bits and I ran my hands all over her body and her very nice breasts and pussy. Let her wank me and suck me and then on with a cover and lots of shagging. Startd in doggy and I sank my ful length into her tight pussy and then a good go at cg and finally gave her a goodseeing to in mish with her legs over my arms. All very nice with a lovely girl.
