The Premises:

The small room towards the rear of the flat. Very intimate feel, if the chemistry is right good things can happen there.

The Lady:

I would describe her as having a natural look. She is not the type of lady to use a lot of makeup as her natural beauty is enough to attract the attention of the most solemn of gents.

The Story:

Impeccable, one word for Amy. A beautiful young lady, my first decision to see her was a wise choice.

I had heard on the grapevine (twitter) that she had a tendency to not show when she was supposed to, this conjured an image of her as being lazy and carefree but in reality she is the opposite.

Very good at her job, very good.

Maybe she wanted to impress me the first time I see her but that wasn't the case because the second time I see her she was equally good. She was fantastic both times. But it's the first time that I'm speaking about here, she gave me an amazing blowjob. She sucked and sucked with energy and really made me stand to attention.

On with the hat and it was furthermore divine from then on. She rode my cock like a jockey, up and down on it really hard I could barely keep up, my dick was hard, I was loving it and so was she from the sexy moans and groans, she expressed enjoyment throughout the whole experience.

The next position we did she lay on her back and put her legs high in the air. I couldn't help but give her clitoris a delightful lick just to further add to her satisfaction. Then I put it in.

The feel of her warm wet pussy around my cock really put me in a good place. Euphoric sensations filled my body and inspired my carefully placed thrusts, the warmth between our two bodies made it difficult for me to withhold for much longer.

After a few more strokes I was ready to release. She could feel this magical moment drawing nearer and the intensity inspired her orgasm to be met at the same time as mine.

Wow what an amazing punt and what a pleasing young lady. Like I said before, my second visit with her was equally good and Amy certainly upholds the divine tradition of providing a truly memorable

and satisfying service.
