The Story:

I first came across this real life jessica rabbitt in doncaster then tracked her down to gfe. She is extermley sexy big eyes,big lips,big hips,big real tits and a sexy ass. She is every black mans dream.

We got in the room and got straight to it. She spat all over my cock, sucked me deep throat and then she got on top of me while I grabbed her little waist while I watched her amazing tits bounce. We finished by me putting my big cock up her arse,it was tight to go in at first but one it was in it was amazing-lovley and tight. Best of all isobel loved it. She came and then I came. Definatley will regulary continue to see her.
