Tall (5'8") blonde aged 22 with a fit body. Said it was her first day here but has worked before in Milton Keynes (Dolly's Secrets). See previous PN Reports.

The Story:

Previous escorts I have met working for Sophia's Angels have been more mature and I have had great time. Whilst Imogen is very nice somehow I didn't think we got on. This is probably more about me than her to be honest. Whilst there was kissing it wasn't DFK. When she was giving OWO in front of the mirror she pushed my hand away if I tried to touch her face, head or shoulders. It just didn't feel like a GFE but to be fair she did give lots of eye contact. On with the mack to finish in mish. A bit of conversation before leaving. I am sure others will enjoy the company of Imogen and I look forward to future reports but I will not be seeing her again (and I don't suppose she will be very disappointed either).
