The Story:

My first punt, so a little nervous. Put at ease straight away with nice long kisses, I had to kiss that gorgeous bottom on the stairs. Into the bedroom, more kissing and exploring then off with my boxers for a fantastic blow job that was shared and swallowed by kissing. Followed by more kissing, then Jan on top, finishing off with a 69. In between, Jan used a rabbit on her sensitive clit, making herself cum at least 3 times, with her whole body shuddering, a fantastic afternoon, with no rush for me to leave, definitely going back
