The Premises:

Basement, very basic.

The Lady:

Stunner. Looks a bit like Jaqualine, a bollywood actress. Tall, slim, sexy, erotic, beautiful, lovely natural breasts with lovely suckable nipples, small waist, nice rounded buttocks, lovely shaved vagina, long legs, smooth skin, silky hair, juicy lips....I am lost.

The Story:

I wanted one of my fantasies, strap-on. What a session! Strap-on session in various positions for 45 minutes after initial foreplay and later hugs. She did her job with all the real smiles and chat. I had so many anal orgasms I have lost the count. I did want to cum and she allowed it. I want to book 2 hours with her next time, one hour of submission and one hour of domination. I found my right girl to fuck and to be fucked... (I hope Demi reads this and remembers me :))
