### The Premises:

The location was perfect - a four star hotel in Manchester - discrete, quality establishment, as you would expect.

Daisy's pre-meet communications (email, phone call) - I always have a quick chat phone call to establish a connection as it were) and Daisy is warmth and friendliness itself. Very clear and helpful instructions on the day (means a lot this kind of thing - you know love and care outside the bedroom - love and care inside the bedroom).

### The Lady:

Daisy is what I call a 'real woman' lovely, sensual, curvaceous, feminine and oozes this delicious quality which she effortlessly conveys of enjoying her part-time vocation, enjoying men and enjoying sex. Daisy has really kissable lips - her lips are, in my humble opinion, a striking feature, if you love kissing or 'snogging' as we used to say, you will adore Daisy.

### The Story:

I like writing FR's for PN - the questions and prompts are less intrusive demanding than other forums and I do enjoy the advice: 'Don't write a novel.' So no novel that is for sure but I can tell you I had a fabulous time with a woman who loved being ravished, kissed and adored. However, things got off to a wonderful start with one of my favourite activities which certainly gets me in the mood - spanking that delicious derriere of hers. God makes me hard such thinking about that (sorry!!). I am no spring chicken but neither am I without a certain stamina but what I do know is I like things nice and slow. I like to savour and enjoy every thing that is so generously offered - so I partook of the usual pleasures so eloquently expressed by Daisy as being available on her new website )OWO, FK and a number of interesting positions - opting for a mutual favourite that tried and tested missionary!!

Daisy is a cunning linguist and I guess so am I - so poist coital chat was really fun and interesting - so many topics covered and a great laugh along the way.

Daisy is quite simply delicious, delightful and delectable.

I can't wait for next time.
