The Lady:

In my eyes, Nicole is a stunner. A raven haired Polish beauty, around 5'6", size 8, medium-sized pert tits, lovely pins, peachy bum, flat toned tum, nice tan. She has been a regular of mine for the last six months previously at a Hotel at Beaconsfield or under another name through the excellent One2One agency. This was a first time visit to her new location.

The Story:

I favour a longish visit with Nicole as I enjoy our talks almost as much as the physical side of our time together. A lot of well oiled body-to-body massaging is our normal starter followed by the liberal use of my tongue around her delicious fanny. When her climax approaches, mac on, then into vigorous mish, doggie, more mish. Break for kissing, caressing and chat, before resuming mish. Time flies by and the visit concludes with more body-to-body and lots of my juice running down her tits. I some times ponder the sanity of risking a 90 mile motorway drive for a f..k on a Friday afternoon as rush hours are upon us. Worth it? With this lady....a definite YES.
