### The Premises:

Was outcall

### The Lady:

5'6 lady, short brunette hair, slim. High class type of look.

### The Story:

met said lady at my place, I requested she visit me looking as if she just finished work, tights, skirt, blouse, secretary like shoes - girl next door sort of lookish.

Proceeded to sitting down and talking, to which I learnt she is incredibly well spoken and very educated(rarity in escorts these days). I found she is also honest, laid back and a confident and relaxed type of person.

In terms of beneath the sheets, she gave me a fantastic BJ, I could say its the best I've ever had from an escort - truthfully spoken. We then went at it for some good time, of which during she is quite vocal, and seemed to thoroughly enjoy the session. She has a tight one, and has a very toned body.

Only downside to this particular punt was that she perhaps spoken too much during initial conversation, but then again when she does talk, it was interesting.

I would highly recommend this lady to the well spoken, articulate type of man who doesn't expect just a shag, but also some meaningful conversation.
