Her flat was conveniently located very close to the tube station, since I was travelling by public transport that day.

### The Lady:

attractive, blonde, tall lady

### The Story:

This was an on-the-spur-of-the-moment decision. I was going out in the evening and just had time to fit in a quick visit beforehand. I had a shower after I arrived. We then had a very pleasant time exploring each other, before she went down on me and gave me a really nice blowjob. I plan to return and spend longer with her next time. Thirty minutes is just not long enough with this lady.
