The Premises:

What can I say the usual place in Burton. Greeted by Lily with a squeeze of my bollocks and reciprocated by tweaking her tits.

The Lady:

Hope I understood her name correctly. ZhenZhen is a small Chinese lady with a bit of a tummy but nice tits with large nipples. Pretty face and I would say she is probably in her thirties.

The Story:

Started DFK before I could get my kit off. Then onto the bed for lots of kissing and cuddles. Sucked those nipples and went down on her for RO of her shaven pussy. She seemed to really enjoy this and got even more passionate with her kissing. I asked for OWO and after a quick wipe she took my shaft in her mouth for one of the best BJ's I have ever had. Lots of eye contact and attention to all parts of my cock and bollocks. Rolled over and more kissing and hugging. Then something happened which we aren't allowed to discuss. Needless to say I shot my load quite quickly. After a wipe she treated me to an enjoyable back massage. Lots of kissing before I left with my lips burning. What an experience! She must have got horny perhaps due to a lack of punters on a Bank Holiday Monday! I would like to see her again but I know the girls change every week.
