The Story:

Greeted at the door by Natalie in a red panty and bra set. I knew immediately I was in for some fun. A hot shower and with Natalie on her knees giving me a great blow job I was a happy man. Onto the bed for DFK and stroking and rubbing she has a great body. 69 followed without and my tongue explored her cunt, she does not allow fingers, and in the fullness of time I exploded in her mouth. Natalie chats and her skills are multi varied. I drank the coffee and played with her clit using the juices from her pussy to get that slippery effect. The clock was never an issue and I fucked Natalie and she fucked me. I filled a condom with my second load as she sat on my cock and ground out a lovely cum. A final few moments of Natalie sitting on my face left me with that great taste. One I carried out of the flat. 2 other woman work with Natalie and both look fantastic. I will return to fuck them all one at a time I fear my body is just not upto a 4some!
