The Premises:

Nice house in a quiet residential street. Parking available outside.

The Lady:

Tall, Hungarian brunette, probably about 5 11 and a size 12-14. Nice eyes and tits about a 34D. Very round and curvy ass.

The Story:

Gina is a very sexy Hungarian girl, probably in her mid to late 20's. Although she doesn't speak much English she is very friendly with a nice smile and a decent, curvy body.

Once i got in and took care of the paperwork, we undressed and began kissing. Gina didn't mind slipping her tongue into my mouth and kissing her passionately stiffened my cock up very quickly. We moved onto the bed for some more kissing and cuddling before she asked me (in her broken English) if i wanted my cock sucked with or without a condom. I chose without and she had my rock hard 7 inches in her mouth and sucked me for a good 15 minutes which was nice. She certainly gives good head and didn't need to take a break but my cock was throbbing and i had to fuck her. Slipped on a condom and got her to sit on my cock. She has nice tits which i sucked as she rode me before she got off and invited me to fuck her doggystyle which i did happily. I gave it to her hard from behind, which she seemed to enjoy, including a bit of spanking and hair-pulling, before i flipped her over and onto her back so i could see her face as i fucked her. Slid my cock into her pussy and then fucked her very hard while kissing her deeply. This is always a turn on for me and it wasn't long before i had to shoot a load so i pounded her pussy hard, making her moan loudly before i spunked a load inside her. It felt good seeing her face as i came, she looked very sexy.

Gina is a sexy girl, who likes to get fucked hard. For what she charges, she's definitely a keeper.
