The Premises:

Angelina came to the house within 45mins of calling her, she was well dressed and very warm and friendly and immediately put me at ease.

The Lady:

Angelina is a gorgeous looking lady with a great body and blond hair.

The Story:

I can't recommend angelina enough, she's really warm and friendly and will put you completely at ease, very easy to get along with, very playful and has a bit of a naughty side, to say she was fantastic would be an understatement, I will certainly be seeing her again. (you don't need to think twice about this girl). Thanks Angelina you are amazing, I hope you had fun too.
