The Lady:

Seriously hot blonde! couldn't believe my luck when she walked in, cute tits and ass with a cheeky smile.

The Story:

If your a pervert Ellie is the perfect girl for you, we spent the hour going from one perverse situation to the next, at one point I was even paraded out in front of the maid so she could check out my cute ass.

It's not often you find a girl this stunning, by the time I left I felt like a teenager with a crush on the hottest girl in school.
