The Premises:

Very clean as usual. Very nice receptionist. Most importantly Safe.

The Lady:

Nadia is Asian, about 5'5"-5'6", pretty face, seductive/bedroom eyes and has a cute smile. She has just enough breasts , 32cish with nice nipples. The pics on KSG's website make her look a bit buxom but she isn't and she has a nice soft bum.

The Story:

The receptionist had Tanya and Nadia come and introduce themselves to me and I went with Nadia because I liked her face and she was younger. As I'd previously been to KSG once before, I thought I would be more at ease this time around but I think waiting in the room for the girl to enter seems a bit nerve racking every time. When she did enter, she did put me at ease by saying she was probably as nervous as I was, and once we got to talking it was fine. Sex? From a wank to covered oral to multiple positions. I kinda had to rush my explosion though as the half hour i payed for went by FAST, probably best booking for 45 next time. All in all, She and I both had a good time and I will see her again.
