The Premises:

Mush reported on: near to railway station, dedicated car-park, nice rooms, etc.

The Lady:

Both women are young (mid-'20s?), and are slim and leggy. Not as well-endowed in the boob department as I usually go for, but perky and nicely-nipped none the less. Both are friendly and easy to get on with. I repeat: gorgeous long legs - four of them - that go on for ever!

The Story:

Whereas Lucy has been at Blue Ice for 3 months, this was Summer's first shift. Neither had worked at a parlour before; only with an escort agency.

This was a good session which involved lots of DFK and OWO from each woman, and lots of turn-and-turn-about. Lucy and Summer were enthusiastic participants, and gave me very good time indeed. I came to a finish with them lying on their backs, side by side, while I knelt with a thigh against each hot-'n'-juicy, and a good squirt over their bellies and thighs.

A nice massage, and job done!

They tell me that they are both happy to do my favourite submissive role-play, just as Tia and Terry are, so I will now have even greater choice and flexibility.
