The Premises:

Really lovely place in a discreet part of the city. Very safe and relaxed enviroment.

The Lady:

Stunning South American lady with amazing figure.. lovely tits and ass with really long legs.

The Story:

She was so welcoming and we spent some time kissing as she undressed me. She had greeted me in a maids outfit but as we kissed I stripped her down to her stockings. There were acts of mutual masturbation before i took her both in the ass and pussy...would have loved to have been bare back but she insisted on a rubber (can't really argue)..she did let me remove it before she jerked me off over tits..the last minutes where spent with her massaging me....wonderful
