The Premises:

Well known location near Queensway, I had spent a filthy hour with Taiza in the same building a few weeks previously so knew my way around. Lilly's flat is basic, with a functional bedroom and a shared bathroom down the hall no doubt shared with whomever she shares the flat with

The Lady:

Extremely petite, small natural tits.

The Story:

I was in the mood for a petite Thai and after spending a wonderful hour or so perusing the various Thai's available to me I decided on Lilly based on the agency recommendations and her feedback.

Lilly is extremely petite however her photos are heavily photo shopped so be warned. Whilst I don't mind a bit of photo shopping I found this to be over the top to be honest, I wouldn't say it detracted from the filthy time I did have with Lilly though.

Once the paperwork was sorted I had Lilly remove what little clothing she had on, bar the heels, then had her kneel in front of me for some heavenly owo - a perfect way to start the punt. Nice eye contact and lots of attention to my shaft and balls. More owo followed in a shared bath with Lilly doing a fantastic job of taking the entire length of my by now rock hard cock into her mouth. She did such a good job in fact that I came far too soon for my liking with me wanking a couple of weeks worth of cum into her open mouth and onto her face. Spitting some out, swallowing some Lilly made sure to get every drop from my throbbing cock - it was bliss :-)

Round 2 started in her bedroom with her on her knees again swallowing my rapidly hardening cock, she makes constant eye contact when sucking which I love and so had to stop her before round 2 also finished too soon. Once the condom was applied I had Lilly position herself on all fours on the bed whilst I fucked her from behind, the fucking became more energetic and eventually ended with me pounding her into the pillows which got me hot and sweaty and Lilly hot, sweaty and flustered. Various other positions were tried, including a great session of cowgirl which Lilly seemed to enjoy based on the vigorousness with which she was bouncing around on my cock :-)

She really is tiny

and I could easily pick her up, still impaled on my cock, and carry her to another convenient surface for me to continue pounding her pussy. I eventually finished by depositing another load down her throat.
