The Story:

This is the second time i've seen Helen and after my first visit i decided that an hour just wasnt long enough with this intelligent well spoken beauty

So when she announced that she was on tour in birmingham i was determined to see her again

Helen had asked me what i liked and what to wear and when she opened the door ---- she was absolutley stunning

Got the paperwork out of the way first and the next two hours were a blur of part the best girlfriend sex you could ever wish for and part dominatrix where helen left her teeth marks everywhere (mind you i did ask for it and i loved it)

I can't see me seeing another girl ever again, it was that good i forgot that i was paying for it and i could have stayed there forever

see you soon Helen
