The Lady:

Anna is a lovely mature blonde lady in her 40s. She has just been to boot camp. Her body was very nice. She is a curvy 36FF.

The Story:

Before the meeting she was very helpful with very clear and friendly communication via e-mail. She also informed me that the services I requested were fine and she was looking forward to seeing me. I asked her before my visit if she had poppers and she went to the shops to get some fresh ones for me. She said it was no trouble!

I arrived and we had a short intro in the lounge and then I had a shower, paid and then went through to the bedroom. Anna was very relaxed and makes you at ease quickly. I lay on the bed and she massaged my back and then I turned over to my front. Soon after she started some lovely slow OWO getting deeper and deeper with good eye contact. I was happy for this to go on for a while. She was in no rush and was happy for me to come once or more. I then decided I was going to come earlier and try again. We then moved on to normal sex and she lay back with us trying some missionary. It felt lovely inside Anna and she was looking at me as we shagged. It was so nice I could not hold back and cum.

I then had a rest, we had a nice chat and she wanted to go again but I think the poppers kicked in and this prevented round 2. Anna tried to help without being too pushy or annoying. She was OK with other services too and I was hoping to try some anal. Perhaps another time.

A very genuine nice lady.
