#### The Premises:

Nice cosy place, has been well reported. Lovely receptionist (well done Vicky). Getting a bit busier each time I go and I hope the standards dont drop because of this as its becoming my second home.

## The Lady:

Tall, slim and modelesque(is that a word?) figure. always wears really classy lingerie and looks fit as hell.

### The Story:

Seen Hailey several times over the last month or so and she just gets better and better. She was a little rushed today due to a few girls not showing, but you wouldnt have known it with the way she treats you, she had plenty of time for me and I think that speaks volumes about how this young girl works. Such a great attitude and the most passionate GFE Ive ever had. She always has some new, classy sexy underwear on and has a supermodel figure. She's a real gem and I hope she keeps making the trip down to LM for a long time to come.
