### The Story:

i was going to arrived 10 mins late, so i rang ahead and they pushed other appointments around. so i entered the room then new girl faye came in, we chatted and we clicked straight away, she tells me that this type of work she has been doing a while, we undress,FK, cuddle, chat a bit more, she was laughing at what we were talking about, she then starts to give me very nice deep OWO after 5 mins, i gave her oral for 10mins, but no deep fingering as she doesn't do that, then on to sex, cowgirl, mish, the sex was intense, then my time was almost up so i was going to cum in her mouth but i came too quickly and came over my hand. she tells me that she loves anal and can have intense orgasms from it but 30mins isn't long enough for anal as well. we got dressed and chatted a bit more kissed i left. a very nice punt 8/10 and i will love to return to see her longer in the near future, i still get hard thinking about her. one for all to see, don't miss
