The Story:

Led in to room. Honey and her 2 puppies bounced in to the room - OMG !! Great welcoming snog, then I took a shower and came back in to the room with a raging hard on. Had a nice massage for a while and then Honey turned me over and set about some vigorous oral. Sloppy and deep. Had to ask Honey to ease off a bit else it would have been spunk everywhere in record time. Some mutual groping, then it was my turn to feast on Honey's swollen labia. After a few minutes Honey climaxed and then let me fuck her missionary style until I came. Round 1 over with. Honey left the room to freshen up. She returned within 5 minutes and offered me some pamper time - nice touch. Some great attention to my balls from behind with her long, bright red nails After a few minutes she turned me over and set about getting me hard again. I wasn't sure if I would be up for it, but a combination of Honey's eye contact, expert mouth and hands along with some porn style filthy language, tit fucking and spit had me emptying my second load in to her mouth. Awesome. Cleaned up, had a nice natter about her travels and tax issues and porn career. Then it was a farewell kiss and off in to the real world again. Great girl, great time, to be repeated soon, without a doubt.
