The Premises:

Its her own home, nice, vlean tidy, modern.

The Lady:

Kandi is 43 and has looked after herself. The most awesome nipples I have ever seen!

The Story:

This was an incredible punt. I have been enjoying his hobby for a few years now (!) and thought I had experienced most things.... not so, this little minx had two new experiences for me!

She sucks like a dyson, and seems to have very few limits. That said she is a proper lady and very keen to please.

Whist she is new to escorting, she know exactly what she is doing

100% recommended
